

INTRODUCING

ZEUS™

POWERFULLY BEAUTIFUL

- *Developed by master ceramist,
Low-Culp CDT*
- *Exceptional strength*
- *Fracture and chip resistant*
- *Conservative preparation
and cementation*
- *Precision fabrication with
CAD/CAM technology*

Combining high tech digital technology, new material developments, with the artistic designs of Low-Culp has led to the development of ZEUS - the first monolithic restoration created to satisfy both you and your patients.
